Do you want activity bus transportation for your child? Yes ____ No ____

Students who require transportation home will be delivered to major points in West Seattle, Beacon Hill and Rainier Valley by a chartered school bus on Monday through Friday only as part of this program.

If he/she chooses, your child may pick several different activities to do during the week. For example, he/she may choose to do Game Works on Monday, Swimming on Tuesday and Cooking on Wednesday. For each day, please indicate which program(s) selected with a "1" and "2" that your child is interested in per day. For example, on Monday if Art is your number one choice, please indicate that by placing a "1" next to Art. For some reason if Art is filled up, and you wish to join Music Production, please indicate that request by placing a "2" next to Music Production. We will try to give your child his/her first selection, but some classes have enrollment limitations. These programs are first come, first serve. So, enroll quickly.

"Minds on the Move Tutoring"- We highly encourage your child to participate in the after school tutoring sessions. All registered ASAP participants are eligible for after school tutoring. You can attend after school tutoring one of two ways. One, you may simply check off tutoring on any given day or two, if you register your child for a program like Cartooning but later in the semester your child needs some tutoring assistance, simply have them receive a note from their regular ASAP program instructor allowing them to enter the tutoring program on that given day. This process will keep us informed as to your child's whereabouts.
